

2018-2019 SCHS Registration Worksheet

Student:

School: Hope Middle School

December Middle school and High school counselors meet with 8th grade students in class room guidance sessions

Family Night at feeder schools led by high school counselors (1/24: AGC @ 6pm, 2/1: Eppes at 6pm, 2/8: Aycock at 6pm, 2/13: Hope at 6pm)

Feb. 6 **Curriculum Fair** (rising 9th grade)

6-8pm, South Central HS Auditorium. All students/parents/guardians are invited and encouraged to attend. Program will offer:

- Overview of high school curriculum, culture, expectations
- Chance to meet 9th grade teachers
- Electives showcase (visit labs for elective courses and meet teachers)
- Meet & greet with student support staff

Feb. 7 Students will complete their course registration online through PowerSchool **before this date.**

Feb. 8 Counselors meet with students and review course selections. Verification copies of student course selections returned for final parental review.

Honors Math 3	4 th math	Elective Math	Elective math or college math

**Math 1 is a prerequisite for these courses.*

Course Selections

Core courses – Teachers will make recommendations based on your current course, test data, and your classroom performance.

Elective courses - select six elective courses from the list on the reverse to complete your course selections. Three of these will serve as your *primary* elective course selections and three will serve as your *alternate* course selections. As you make your selections, ask yourself these questions.

- Does this course meet my needs?
- Does this course suit my interests?
- Will this course hold my interest?
- Am I ready for this challenge?
- Does this course move me toward my goal?
- What is required of me in this course?

Your three alternative electives will be used to accommodate conflicts and full classes during scheduling.

Final Course Registration

After registration activities are complete and you and your parent/guardian have made decisions about your selections, you will register your course requests for next year in PowerSchool.

Resources

- PowerSchool portal at <https://pitt.powerschool.com/public> (Allows you to register on your phone or computer.)
- Course descriptions, registration demo video, and graduation requirements are available at <https://sites.google.com/a/pitt.k12.nc.us/peshs/home>.
- This worksheet with teacher recommendations.

Process (You can make changes online until 2/7)

- Log into your PowerSchool account
- Select class registration from your menu bar
- Indicate your course selections by
 - Selecting a course area (i.e.; English or Math)
 - Placing a check in front your selection.
 - Click OK and move to the next course area.
- **Click the submit button** to save your selections! Your counselor will review your selections.
- A course review sheet will be sent home for parental review and corrections.
- Return the review sheet with any corrections.
- Registration is complete ☺

Schedule Changes Limited changes are allowed during the first five days of the school year for scheduling errors. Students cannot change teachers nor choose new classes. Choose wisely and make informed choices. There are no additional change opportunities second semester.
